Guyana Drive is located off of Church Road between Three Chopt Road and Pump Road in the Richmond's West End. From Church Road turn into Guyana Drive. (Guyana is closer to Three Chopt Rd. than Pump Rd.) 2820 is the fourth house (the white brick house) on the right.

IMPORTANT! Please park in the driveway making two lanes so other cars may pull in. Please do not park in on my side of the street or directly behind the driveway across the street. People have hit cars backing out of the driveway. Please do not stop or park blocking the driveway or park on the front grass. The police do not like cars parked on both sides of the street holding up traffic and school buses. Please do not make u-turns in the middle of the street. to avoid complaints. When you arrive, please enter through the gate at the end of the driveway. The studio is in the back by the pool. Students will be dismissed when the see your car arrive in the driveway, via the outside camera and television monitor in the studio. :)

Thank you so much for your patience and cooperation with the parking procedure!

Please wear old clothes to class if you can. All materials are provided and we have a spring water cooler. No need to bring water containers or bottles to class. :)
